

POWER LINE[®] U.S.A.

ALL ELECTRIC HOT WATER PRESSURE WASHER MODULES

Enjoy All the Benefits of a Workhorse Power Washer Without the Hazards of Gas or Oil Fired Units

- Maximum cleaning power in a compact All Electric Package
- No smoke or hazard emissions with a safe flame-less unit
- Perfect for manufacturing firms, food processing facilities, chemical plants or mining operations
- Features independent (replacable) heating tube which provides a continuous heat rise vs. other brands

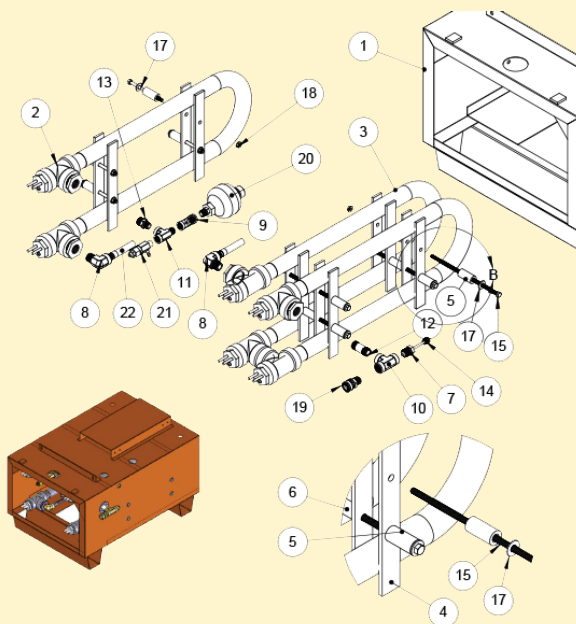

Features

- Belt drive, oil bath pumps, ceramic plungers
- Easy access controls
- Precise chemical metering
- Stainless steel immersion heaters
- Stainless steel float tanks
- Standard temperature control
- Easy grip trigger gun
- All models except 108 available UL approved
- 4308XP – Explosion proof is available

Advantages

- Easy access for easy servicing
- Completely powered by electricity
- No open flames
- Minimal noise
- No smoke or fumes
- Small space requirements
- Wheel kits available

ENGINEERING EXCELLENCE!

"For over 30 years Power Line has provided quality engineered and environmentally sound cleaning maintenance programs for companies nationwide."
